The examination section is crucial to the branding of the autonomous college and the proper operation of all operations. The examination schedule is closely maintained, and unless unexpected circumstances arise, no adjustments are made.

The examination has its own rules and regulations, which the academic council has occasionally accepted. A general audit must be carried out each semester to ensure the validity of the evaluation and the question papers.

Our college conducts degree award ceremony. Bharathidasan University awards degrees to the students but their examination papers are evaluated and recommended by our college. The degree certificates represent general format devised by the university. The degree certificate is mentioned with the name of our college 'Affiliated to Bharathidasan University'.
